MEMORANDUM FOR THE RECORD

SUBJECT: International Coffee Agreement

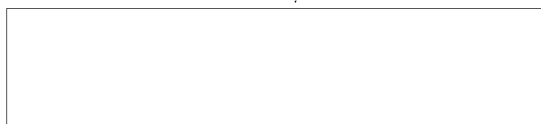

REFERENCE: Legislative Counsel Memorandum For The Record
of 13 August 1964

1. On 18 August the House of Representatives rejected the Conference Report on the International Coffee Agreement Act of 1963. This was a result of objection on the part of a majority of Members to Section 4 of the Act referred to in the referenced memorandum. Moreover, the Senate has insisted upon the inclusion in the Act of all its amendments.

2. The House has requested further conference and the Senate has agreed thereto.

3. The General Counsel has informed me that the Director wishes to be advised of the progress of this Act.
